

***Our hearts are very heart today and announce the passing of
Lieutenant June Murphy***

It with the outmost sadness that I have to share with you the sudden passing of Lieutenant June Murphy of Brookline Police Department & Past MAWLE President. June was one of the original founding members of MAWLE.

We are all at a loss for words. June was a great friend, colleague and mentor to many.

She was dedicated to the organization since the beginning. On April 14, 2004, she attended one of the first organizational meetings in Lowell and helped vote on the name of the Massachusetts Association of Women in Law Enforcement (MAWLE). She was also part of the Organizational Structure Committee that created the current Constitution and Bylaws of MAWLE.

Since then, June was elected President of the organization for two consecutive terms in which she worked hard to create a MAWLE Scholarship fund which we award yearly to a female high school senior looking to pursue a degree in criminal justice. June was a perfectionist that made sure anything and everything the organization did was going to be successful! She will forever be a part of MAWLE and will forever be loved and missed by all of us.

Our thoughts and prayers are with the Murphy family and the Brookline Police Department at this very difficult time.
