

IAWP BEREAVEMENT NOTICE

Diane Mueller, IAWP former Region 6 Coordinator

It is with a heavy heart I report the passing of IAWP former Region 6 Coordinator Diane Mueller.

Diane Marie Mueller passed away November 18, 2015 surrounded by Love and Support.

She has left us physically yet her Spirit, Love and Influence will stay with us forever. Diane was a dynamic member of the IAWP and during her time on the Board of Directors, she worked tirelessly for our membership. She loved her IAWP family.

Please take a few minutes in honor of Diane and her long time service to the IAWP to conduct a moment of silence on her behalf.

Diane has gone before us. Please be comforted to know when she departed she knew she was/is well Loved.

Diane is survived by her wife, long time IAWP member Michelle Brettin. Please send Michelle your prayers, warm thought and positive energy as she and their family gather together to make Diane's final arrangements.

Michelle is very thankful for all the prayers during Diane's illness. She felt the presence of her IAWP family throughout.

Michelle gave me permission to share her most recent Facebook post :

"Yesterday, November 18, 2015 the love of my life, my soul mate went to heaven. Diane Marie Mueller made her final journey to be with her mother and Aunt Dot. She loved each and everyone of her friends with an intensity that not even I understood. Each and everyone of you held a special piece of her heart. I am so privileged and honored to have spent the last sixteen years of my life loving and caring for her. She shared her friends and family with me. I could never repay her for that honor. She trusted me and loved me without conditions. Many of you got to know me through Diane, but it was Diane who actually made me the person I am today. She taught me so much and guided me. So I now ask each and everyone of you to raise a glass and toast Diane and her life. Remember her with love. She made this world a better place and at least one human a better person. I love you sweetheart with all my heart and will never stop loving. Rest your soul my sweet and let my love

*carry you to your mothers arms. You waited so many years to give her a loving embrace. I will carry on our lives through memories and know that someday I will join you for our eternal journey. For each and everyone one of you that contributed to her go fund me page, she was overwhelmed with the love. I wanted her to become strong enough to tell you herself, but that was not to be. So raise a glass and toast her life as she was kindest and most loving person!
To Diane Marie Mueller: your life was not in vain, your love was not overlooked and you are not overlooked. See you later!"*

Details of Diane's memorial service will be posted in our IAWP website memorial section on our website.
